Made one more update to the chart—the effective date of the MOU is 1/18/19. I had missed Juneau County's signature on page 9 of the PDF. Attaching the updated chart and the final MOU here.

Hello,

I added the two points that Carol asked for (number of pages in the appendix of the petition – 1,491) and an additional note in the final space of the LUB column about Jan. and Feb.

Sending here first so you all can see and send along to Mark, Joe and Ben before the general at 11am.

Thanks!

Importance: High

Thanks all! This is all very helpful. I like the side by side timeline. Only two minor comment and suggested edits --- can you please add to the Region 10 column (on the right, near the end) the approximate number of pages of the lower Umatilla 1431 petition? While it may seem like a minor detail at first, I think it's very important.

Ex. 5 AC/DP

If possible, can you please send this slightly updated version of the timeline to me, Mark, Joe and Ben? If you could please email it to WED management before the 11 am WED General with Rosemarie and Karin that would be great! And we should include the PDF of the final MOU (thanks Chrisna for getting that from Chuck).

Thanks again guys!

Hi Dane – thanks! I took a shot at putting the timelines side by side – what do think? I didn't include the dates of internal briefings, but that could easily be added if you think this format is helpful.

Also attaching the signed Armenia MOU that Chuck forwarded today.

Subject: AGC and LUB Draft Timelines

Hey, all.

Attached are the two draft timeline of events for AGC and LUB. As I stated in my email earlier today, much of the fact patterns between these two cases are the same. However, the biggest differences between these two matters is the amount of time between these problems have been known to persist.

Please take a look at these two timelines and make any additions or subtractions that you might think is necessary.

Thank you,

Dane A. Wilson
